Product net weight (kg): 2.28

- Build-in parallel connection • Can be mounted on Nordlux base unit
- Durable material that is well-suited for harsh weather • 15 year warranty on extensive corrosion

A traditional outdoor light in galvanised steel. Suitable for energy-saving bulbs or LED bulbs.

The galvanised finish makes the light fixture resistant to the Nordic climate. We recommend light fixtures in galvanised steel for coastal areas. It is possible to purchase a base for pillar lighting appropriate for this product.
