Lifetime (h): 25000
Beam Angle (°) : 120
Energy Class: F
Actual Watt (W): 5

- Three light effects included • Both up- and downlight • Built-in parallel connection
- Durable material that is well-suited for harsh weather • 15 year warranty on extensive corrosion • 5 year LED guarantee

Whether Canto 2 is placed indoors or outdoors, the lamp offers a unique lighting experience. The minimalist design makes the lamp both decorative and sculptural. The light flows both up and down, and with the three included pattern inserts, it is possible to change the light image according to desire and personal style.

The sharp, stringent lines and the square design make Canto 2. a highly sculptural and modern wall lamp that exudes Scandinavian minimalism. The galvanized surface makes the lamp resistant to the Nordic climate and is therefore suitable for harsh coastal areas. Designed by Danish designer Bønnelycke MDD.
