Sales Box Volume m<sup>3</sup> : 0.0041  
Product net weight (kg): 0.61

- Contemporary art deco style
- Matte white opal mouth blown glass
- Provides a soft, diffused light

The beautiful design of the Contina pendant completes the Contina series with carefully selected details that make the series really stand out. The light frame is completed by a spherical opal white glass ball that hides the light source and spreads a soft glare-free light into the room. The slim design ensures that the pendant does not take up any unnecessary space in the room.

The combination of brass and opal glass creates a glamorous and modern design expression.
