- Maritime robust design
- Durable material that is well-suited for harsh weather
- 15 year warranty on extensive corrosion

Helford has been inspired by the harsh Nordic weather with rough nature and roaring seas. The maritime design highlights the raw and rustic and makes Helford a decorative wall lamp which fits beautifully at the front door, the garage or on the fence.

Brass is a sturdy and weather-resistant material, making the lamp suitable for harsh coastal areas. Over time, brass takes on a darker patina, which results in a beautiful brownish colour.
