• Glamorous art deco design

Orbiform oozes of exclusivity and glamor. The series combines brushed brass with a pentagon-shaped glass dome adorned with a beautiful diamond pattern that enhances the luster of the glass and provides a unique light effect in the room. The beautiful glass gives associations to the period with crystal interior, which now again has become a popular decor element.

Use Orbiform table lamp at the makeup table, on the dresser or in the windowsill, where it is both decorative and creates a stylish and glamorous atmosphere.
