- Modern, yet timeless design
- Adjustable lamp head and top arm
- Lights both up and down
- On/off button behind lamp head
- Perfect as reading light

Stay is designed by Danish Maria Berntsen and is functional and beautiful lighting in one and the same design. Stay has several nice features, where the lamp's flexible swivel mechanism makes it possible to direct the light and create optimal lighting conditions. Furthermore, the switch is discreetly placed behind the lamp head, making it easy and convenient to turn the light on and off. Thus, Stay combines great flexibility and elegant appearance in a highly convincing way.

Stay floor lamp is ideal as a reading lamp next to the sofa or your favorite chair, as the arm and head of the lamp can be adjusted according to your wishes and needs. Likewise, the silky matte grey metal contributes beautifully to a modern and minimalistic expression.
