- Minimalist functional design • Multifunctional bedside lamp • Small shelf for storage
- Adjustable lamp head for a directional light • USB port for charging your phone or other device

The Roomi wall light is both a functional light, a magazine compartment and a practical shelf that can store your most important necessities. The lamp head is easily adjusted for a directional light, and you can charge your smartphone or other device with the built-in USB port placed underneath the shelf. Perfect beside your bed or in the entrance hall to keep track of your phone and keys.
