- Natural and soft feeling bringing nature inside
- Light and retro design expression
- Provides a soft, diffused light
- Excluding suspension bracket, cable and canopy

Villo is a take on the timeless and classic rice paper lamp. It has a very light and airy look and can create a cosy ambience anywhere you put it - casting a soft and diffused light out into the room.

This new interpretation of grey gives a decorative and cosy, toned-down light. The mottled grey effect creates a beautiful look even when turned off.
