- Easy to install - adhesive tape on strip

With Nordlux's LED strips, you can create your own light expression anywhere you want - even in narrow places with very little space. Use the LED strips to create cosy, subdued white and coloured lighting that can be easily concealed beneath kitchen cabinets, along the staircase, behind a TV screen or anywhere you can imagine. Disco mode makes the light flash to the beat of the music. Easy installation with the adhesive strip. Remote control included.
