

## CONROY

CONROY brings versatility and modern design together in a compact, architectural form. Its dual light components can be rotated up or forward facing, allowing you to shape and direct the light exactly as you wish. Crafted from heavy-duty aluminium and paired with an opal polycarbonate diffuser, CONROY delivers long-lasting durability and a refined, contemporary look. The integrated 3000K warm white LED provides a generous 1,350 lumen output, offering both visual comfort and strong illumination for pathways, entrances, patios, and facades.
