

CUBA

Modern and versatile wall light designed for both vertical and horizontal mounting. Its two adjustable light heads rotate over 350°, allowing you to create precise up-and-down beams or dynamic side-light effects to suit any outdoor setting. Equipped with an integrated 3000K warm white LED module, CUBA delivers comfortable, even illumination with a contemporary look. Its clean design and flexible functionality make it an ideal choice for entrances, pathways, patios, and architectural accents.
