

EXPLORER

The EXPLORER is an elegant, compact outdoor spotlight designed for maximum flexibility. Its head can be oriented both horizontally and vertically, allowing you to direct the warm white LED beam exactly where you need it. A separate spot-cap is included to help shape the light and reduce glare for comfortable, precise illumination. This spike light offers a versatile lighting solution for pathways, garden features, and architectural accents. Crafted from high-quality aluminium and built to withstand the elements, it delivers reliable performance with a refined, modern look.
