

KIRA

Durable Kira wall light delivers clear, powerful illumination in a slim, modern form. Engineered for lighting pathways, patios and access points where a sharp, efficient output and refined finish are key. Combines a forward facing, crisp cool white light (4000K) with a subtle halo glow around the fitting. Crafted from die-cast aluminium with a dark, grey powder-coat finish. Pairs clean lines with long term durability. Impact-resistant opal diffuser ensures even light distribution and protects the integrated high-power LEDs.
