

BONN

BONN is an elegant dark grey wall light designed to complement modern outdoor spaces. Its clean architectural lines and compact form make it a natural fit for façades, entrances, and garden walls. The bi-directional light effect creates a striking visual accent, while the small vertical front window adds a distinctive touch of character. Equipped with a traditional E27 fitting, BONN offers full flexibility: pair it with energy-saving bulbs or the latest LED retrofit lamps to achieve your preferred brightness and ambience.
