

COASTAL

With its classic six-sided lantern design, the Coastal outdoor wall light will add charm and character to any home. Featuring a smart black finish with clear glass diffusers, it looks superb when paired with a vintage-style LED lamp - not included. Made from polycarbonate, the wall light can even be installed in harsh environments near the sea and won't corrode. An integrated PIR sensor with 8m range automatically illuminates the area when motion is detected.
