DESCRIPTION

Canis is a classic round downlight for indoor use, featuring a metal frame that fits beautifully into any home. Canis comes with a GU10 bulb.

The downlight emits a warm light (2700 kelvin), which is particularly suitable for e.g. the living room, dining room or bedroom. The dimmable function allows you to adjust the light for different situations and needs. This means you can quickly and easily change the light from a practical work light to a more relaxing and atmospheric light. The downlight is adjustable, making it highly functional as you can direct the light wherever you need it.
