Item Number: 2312003001  
Pcs Per Master Carton: 3

• Contemporary and elegant style • Creates a soft downlight

With references to minimalist and timeless Scandinavian design, Ellen fits beautifully into most interior designs. The large round shade gives visual volume and a wide field of light, providing pleasant lighting.

The glass in this lamp is mouth-blown and has been individually hand crafted. Due to this unique process, air bubbles may appear in the glass and the thickness of the glass can also vary. This gives the glass its character and vivid appearance.
