- A classic vintage design • Beautiful glossy glass paired with shiny brass
- Provides a soft, diffused light

The Franca series has an exclusive and elegant design with beautiful glossy glass and shiny brass. The wall light incorporates vintage details with a modern twist. The white glass dome creates a soft and diffused light that is perfect above your kitchen counter or in your hallway.

The glass in this lamp is mouth-blown and has been individually hand crafted. Due to this unique process, air bubbles may appear in the glass and the thickness of the glass can also vary. This gives the glass its character and vivid appearance.
