

QUBO

Qubo wall light brings compact architectural lighting for outdoor walls, entrances and garden spaces. Square, die-cast aluminium profile, finished in dark grey, houses high power LEDs that produce warm white 3000K light. Engineered to offer both style and function with its modern design and subtle ambient glowing light. Impact-resistant opal diffuser softens glare and protects the LED panel, while the IP54 rating ensures year-round durability. Crafted from die-cast aluminium and designed for long term performance and minimal maintenance with no bulb replacements.
