Colour: Galvanized

- Lights both up and down • Parallel connection possible • Adjustable motion sensor turns light on
- Durable material that is well-suited to harsh weather • 15-year guarantee on surface

Tin is an elegant wall light that provides good lighting for your main entrance, house facade or garage. The design is streamlined and Scandinavian, and the upward- and downward-facing light creates a beautiful light effect on the wall. Tin has a built-in sensor that turns on the light automatically when it detects motion.

Made from durable galvanized steel that is well suited for harsh weather.
