

ATLANTIS

The Atlantis is a high-performance outdoor LED floodlight designed to perform in all conditions. Honeycomb lens reduces glare whilst delivering powerful, even illumination. Offers an output of 3200 lumens of cool white (4000K) light making it well-suited to driveways, patios, gardens and outdoor spaces where visibility and security are required. Adjustable head rotates from 0-80°, providing control over light direction to suit layout. Built from durable aluminium and IP54 rated. Loop in/loop out fast-fit connectors simplify the installation process.
