

RADO

Enhance any garden or landscape with the RADO spike light. Crafted with a high-quality stainless-steel, anti-corrosion finish, it delivers long-lasting durability for all outdoor environments. The adjustable spike allows you to direct light upwards or downwards, ideal for highlighting plants, trees, stonework, or architectural features. Pair with any GU10 LED bulb, including coloured options, to introduce year-round visual impact. Includes an IP68 loop-in/loop-out connector for fast, reliable installation.
