

## BRITI

Maximize security and visibility around your property with the LUTEC BRITI solar floodlight, delivering a powerful 750 lumens of cool white light (5000K). Designed for wide-area coverage, the BRITI features three adjustable integrated LED heads that can be angled independently to light up driveways, gardens, side paths, garages and outdoor entrances. Powered by a polycrystalline solar panel that charges during the day, the BRITI provides energy efficient lighting with no wiring required.
