

## RADO

The Rado is an adjustable wall spot light which features a high-quality, stainless-steel design and anti-corrosion graphite finish, which makes this light a durable and long-lasting outdoor lighting solution. The tilt and swivel knuckle joint allows light to be directed wherever desired, meaning you can highlight specific aspects around your home, such as stone or brickwork and flowerbeds or water features. The integrated GU10 lamp holder allows you to choose a lamp, including colored LED bulbs or even the latest RGB color changing lamps and create the ideal lighting effect to suit your house design.
