DESCRIPTION

The Fortis LED Floodlight range delivers outstanding performance with a powerful lumen output of 24000 at an impressive 120lm/W. Designed with precision asymmetric optics, Fortis provides targeted, efficient illumination exactly where it's needed, reducing wasted light and glare. Each unit comes pre-wired with 0.8m of cable and includes an angled bracket for fast, hassle-free installation. A convenient CCT switch lets you easily adjust the colour temperature between 3000K, 4000K & 6500K at the flick of a switch to suit your environment. It's IK10 impact resistant and IP65 weatherproof, ensuring long-lasting reliability in all environments.
