

TWISTO

The TWISTO outdoor LED wall light brings modern versatility to any exterior space. Finished in dark grey, it delivers both upward and downward illumination, creating a clean architectural effect on walls and façades. Its flexible installation and orientation options make it easy to adapt TWISTO to different layouts and design requirements. A built-in CCT switch allows you to select between 3000K warm white or 4000K daylight, giving you full control over the ambience and appearance of your outdoor lighting. Durable, efficient, and stylish, TWISTO is an ideal choice for entrances, pathways, terraces, and contemporary exterior designs.
