DESCRIPTION

Notti is proof that when form, materials, and detail are perfectly aligned, beauty follows naturally. Its organic, harmonious shape gives it a refined, cohesive presence, a design that integrates effortlessly into any interior.

The organic shape results in a beautiful table lamp with an elegant design. The masculine base in matte metal is a nice contrast to the feminine white opal glass dome, which contributes to visual volume and a soft glare-free light.

The glass in this lamp is mouth-blown and has been individually crafted by hand. Due to this unique process, air bubbles may appear in the glass and the thickness of the glass can also vary. This gives the glass its character and vivid appearance.
