## DESCRIPTION

Slim, Scandinavian design and a streamlined aesthetic are the epitome of the Ilgas pendant. Hang the pendant above your dining table or kitchen counter and create the perfect light that can be dimmed according to the situation.

Colour variations may occur due to wood being a natural material.

The height of the lamp can be adjusted by concealing part of the cable inside the canopy. This way, you avoid cutting the cable. When part of the cable is hidden inside the canopy, the lamp can hang with a minimum cable length of 60 cm.
