DESCRIPTION

With a cool and industrial design, the Darci series by Bjorn + Balle is both a highly functional and aesthetic addition to your home. Perfect as a bedside lamp, over the kitchen counter or any other place in your home that needs a stylish and functional light. The beautifully curved lamp head is easily adjusted for reading, working or just adding the right ambience to the room. High-quality materials with a satin soft, matte surface radiate a modern and streamlined look. A gentle tap on the touch switch turns the lamp on and off.

The lamp is designed for individual control using the integrated touch button on the lamp itself, and not from a wall switch.
